JOS NORTH WARD CHAIRMEN FOLLOW-UP MEETING

POLLING-UNIT DATA AND PASSPORT PHOTOGRAPH REQUIREMENTS
MEETING AGENDA AND MINUTES SHEET

Date: 30 October 2026 | Venue: PDP Jos North Party Office |

Background

This meeting continues the discussions held on 28 October 2026 concerning the proposed process for compiling data on 120 persons from each polling unit. At the 28 October consultation, ward chairmen raised concerns about logistics, stakeholder inclusion, trust, agreed facilitation and community resistance. The follow-up was arranged to broaden consultation and develop practical recommendations ahead of the elections.

A further concern for today's discussion is that many people cannot afford the ₦1,000 required for passport photographs. The chairmen also have limited means to pay this cost on behalf of residents. The meeting is to consider a workable and fair response before the data exercise proceeds.

The ward Chairmen expressed the following as matters of concern:

- Paucity of funds to enable movement for collection of data
- Mistrust on the issue of giving BVN and NIN numbers
- Party Chairmen suffer the backlash of what those who decamped to APC from PDP did
- The confusion of who is truly the Governorship candidate in the PDP.
- Lack of due recognition to party exco

Attendance

Name	Role / Ward	Phone No.
Hajiya Khadijah Gambo Hawaja	Meeting convenor	
Barr. Aminu Sani	Stakeholder	
Jos North PDP Chairman	Chairman	
Jos North PDP Secretary	Secretary	
Musa Lawal Ahmad	Gangare Ward Chairman	08035015762
Alh. Yawale Falke	Garba Daho Ward Chairman	08033342449
Kawu Babanjoda	Naraguta A Ward Chairman	07035586406
Ado Garba Jibiya	Abba na Shehu Ward Chairman	07038746261
Musa Yunusa Ubale Ibrahim	Katsina Ward Chairman	07067985449
Alkasim Musa Wetka	Sarkin Arab Ward Chairman	08063970491
Alhassan Umar Aliyu Ali Kazaure	Kazaure Ward Chairman	07060905093
Christian community ward chairmen	Names to be recorded at meeting	

Meeting Objectives

- Clarify whether a passport photograph is mandatory for each person and confirm the exact specification accepted by the campaign data team.
- Assess the cost barrier created by the ₦1,000 photograph fee and its effect on participation across polling units.
- Consider practical options for reducing or meeting the cost without placing an unaffordable burden on residents or ward chairmen.
- Confirm logistics, responsibilities, stakeholder consultation and the process for reporting community feedback.

Options for Discussion

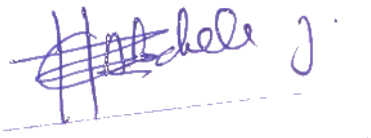

Option	Points to consider
Campaign-supported photo session	Arrange a central or ward-based photo day and cover the agreed cost from campaign logistics funds.
Subsidy or waiver	Identify residents who cannot pay and agree a transparent support or waiver process.
Alternative format	Ask the campaign data team whether an existing digital photograph or another approved identification method can be accepted.
Staged collection	Do not exclude residents solely for inability to pay until the requirement, support method and funding are confirmed.

These are proposals for the meeting to consider; no option is recorded as approved.

Closing

The meeting is expected to conclude with clear guidance on the photograph requirement, how the cost barrier will be addressed, and who will coordinate the next steps with ward leaders and the campaign data team. There was an interactive discussion on several issues, such as;

1. Filling out the data form
2. Names and passport photographs of party agents
3. Loyalty to the party
